Acknowledgements

Media consent & authority

- I agree to being photographed, video recorded, or audio recorded by GeelongPort or Deakin University and consent to the use of the photographs/recordings for teaching, research, advertising, marketing or commercial materials. The media content may be used in websites, social media, publications, presentations, banners/signage/posters and other digital or print formats and may be provided to third parties for the promotion of GeelongPort or Deakin;
- I understand that copyright in the image/sound files is owned by GeelongPort and Deakin University, and that I will receive no royalty or remuneration or compensation for their use;

Assent to volunteer responsibilities

- I have received and read the 'Program Briefing' and understand: (a) the requirements for the fieldwork, (b) the associated risks and hazards, and (c) the Participant's Rights and Responsibilities;
- I acknowledge that the fieldwork may involve one or more of the following conditions (or those described in the 'Field Trip Briefing'): climate and temperature extremes, uneven or wet terrain, physical work, irritating wildlife (e.g. mosquitoes, flies), lack of toilet facilities (e.g. in remote locations); delays, and potential hazards. These potential hazards include road accidents, bad weather, natural disasters, venomous wildlife (e.g. snakes) and other unforeseeable events. I accept that any of these factors can occur and may cause changes, delays or other effects;
- I have read and agree to abide by Deakin University's Code of Conduct, and accept that Deakin staff can remove me (or the abovenamed minor) from the field trip at my own (or the abovenamed minor's) expense if Deakin's Code of Conduct is breached;
- I understand that Deakin University may refuse to permit me to join a field trip if it is deemed that the conditions and activities on the field do not match my ability or fitness;
- I accept that all information, data, and images gathered during the course of the field work is intellectual property of Deakin University's Blue Carbon Lab. Co-opting, plagiarism, use or publication of the data collected during a field trip without Deakin University's permission is strictly prohibited.

Declaration & acknowledgement

- **I declare that I am fully vaccinated against COVID-19 and willing to comply with any Victorian Government COVID-19 health and safety directives whilst participating in the program;**
- I declare that I am in good health (except for the health information included above) and voluntarily registering to participate in Deakin University's Blue Carbon citizen science research;
- I give Deakin University express authority to, where applicable, collect, use and disclose the health information as required to manage my safety and wellbeing whilst participating in the program;
- I understand and agree that Deakin University only accepts liability to the extent that injury, loss or damage is caused by Deakin University staff's failure to conduct field research with due care and reasonable skill;
- I release Deakin University and its staff, agents, and affiliates, from and in relation to any and all liabilities in respect of any claim, suit, or cause of action (including negligence), including legal fees and expenses of litigation, on account of any personal injury, loss of health, financial loss or damage to property, except to the extent that such liability arises under legislation requiring Deakin University to assume the liability;
- I agree, Deakin University is not responsible or liable for acts or omissions of third parties, including but not limited to cooperating institutions or other Participants; and
- I agree to participate in the program's activities under the terms and conditions described in this Participant Registration Form.

Privacy Statement

You are not required to provide the information requested above, however if the information is not provided, Deakin may not be able to accept your participation in the Citizen Science research or respond in the event of an emergency.

Deakin collects the personal information for the purpose of managing your time, health and wellbeing whilst participating in the Citizen Science research. Contact details are also collected to have a record of your consent to the taking and use of images/recordings and to contact you if necessary.

Deakin University manages personal information it holds, including requests by individuals for access to their personal information, in accordance with the *Privacy and Data Protection Act 2014* (Vic) and the *Health Records Act 2001* (Vic). You have a right to gain access to your personal information held by the University. Information about Deakin's privacy practices is available at <https://www.deakin.edu.au/footer/privacy>. You may obtain further information about privacy at Deakin by contacting the Privacy Officer on (03) 5227 8524 or by email to privacy@deakin.edu.au.
